- See product chart for English square footage and other information.
- See Product color run sheet for available colors.
- 30mm thickness for overlays of existing pedestrian hard surfaces only.

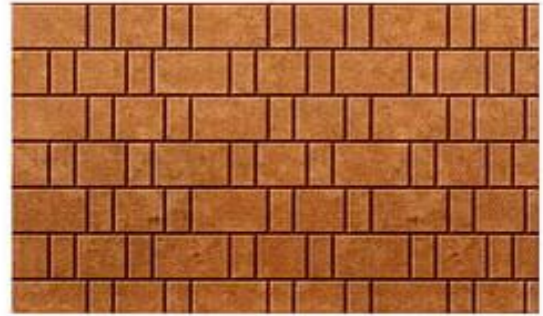

* English measurements are nominal. Exact dimensions are shown metrically as installed measurements.

Patterns

Random

Change paver directions to avoid set patterns and continuous joints exceeding 36". Adjust shape percentages accordingly when using one, two or all three shapes as border.

Running Bond

Offset each row 2" to avoid continuous joints from row to row. Adjust shape percentages accordingly, using one, two or all 3 shapes for the border.
